THANK YOU FOR YOUR ORDER

Many of this year's perennials are native/native selections. Ideas for color/texture/fragrance plant combinations are included on the website, as well as pictures and additional information. Go to <https://www.collegegardens.org> (Garden Club in the menu bar).

Ideas for containers that **Thrill, Fill, and Spill:**

Thriller: Plants with height which give bold impact.
Filler: Plants that fill in the width of the pot, creating bulk.
Spiller: Plants that trail, cascade over the pot.

See <https://www.collegegardens.org> for plant ideas.
